WHAT IS CREATIVE BROMLEY

Creative Bromley is a borough wide forum for visual arts which grew from the Bromley in Bloom and Celebrate Bromley events held in 2008/2009 and now has representation on the Bromley Arts Panel.

Creative Bromley is supported by

- Four major art societies
- Five photographic groups
- One representative from primary schools
- One head teacher - from a secondary school
- Textile artists
- Embroidery Guild
- Quilting group
- Individual artists

It is entirely run by volunteers.

Our aim is to create a focal point for all visual arts in the Borough and stage an annual open visual art exhibition and related events.
